Project manager 27 years of experience in telecommunications and IT managing industry leading multi-billion dollar projects in multicultural environments with a talent for innovative solutions to manage costs and find savings

SELECTED ACHIEVEMENTS

- Conceptualized, designed the platform for, and built large internet radio business, from start up to over 2000 daily listeners
- Project manager in charge of 125 million dollar telecommunications project, part of a multi-billion dollar “smart island” (The Pearl of Qatar), from designing the infrastructure to bringing the entire project to completion within allotted budget and time constraints
- Designed the infrastructure for 2.5 billion dollar ITCC project, of which about half was telecommunications budget, which served as the backbone upon which the entire telecommunications were built.
- Publicly commended for finding millions of dollars in savings through changes to infrastructure design and vendor selection

TECHNICAL SKILLS

- Shoutcast
- Icecast
- Centova Cast
- Project management
- Infrastructure design
- IP metropolitan network Fields
- Tier 3 and 4 data centers
- Security surveillance systems
- Access/remote control
- CCTV
- BMS systems
- Radio/television broadcast systems (RV & IP)
- IP telephony systems
- Wireless communication
- Microwave radio links
- LMR
- SMR
- cellular
- mobile
- GSM

CAREER HISTORY

Montebello Radio Group (USA)

CTO/Technical Director

March 2014 - present

- Created platform for startup internet radio company currently serving over 2000 daily listeners
- Designed, selected, and sourced all hardware, hosting, and equipment
- Built, operated, and managed complete, fully automated, state-of-the-art streaming platform for 24 radio stations owned by the group
- Conceptualized thematic stations and selected music
- Created radio tags and announcements
- Reworked coding to allow for compliance with Apple/iPhone and Android apps to allow listing in stores
- Maintain broadcasting system to ensure continued uninterrupted listening

HanmiGlobal/Hanmi International (Kingdom of Saudi Arabia)
