Hard working individual with fantastic references and experience in a sandblasting or plumbing environment

HIGHLIGHTS

- Regularly praised by supervisors for exceptionally hard work and solid work ethic
- Reliability and punctuality that has been noticed and commented on at the job site
- Built a reputation that resulted in union business agent seeking me out to inquire on my certificates for a job that had opened up based on the recommendation of former coworkers
- Several years experience sandblasting large and small diameter pipe and applying coatings
- Skilled shot blaster
- Experience working in a plumbing environment

CERTIFICATION

- H2S Alive
- WHMIS
- CSTS O2
- Ground disturbance level 2
- OSSA Fall protection; OSSA Confined Space Entry and Monitoring
- Standard First Aid
